KEYS TO COUNTY BASTILE M 'STERIOUSLY PRODUCED

The only levelopment in the county office fight and particularly in the altuation respecting the sheriff's office yesterday, was the Issuance of a wri of habens corpus in the morning by Chief Justice William J. Mills, of the New Mexico supreme court, commanding that the body of one Thomas S. Hubbell be brought before him is Raton on Tuesday morning, when the writ is made returnable. The body o said Thomas S. Hubbell is now peace fully reposing upon a first class bed in the front room of the county jail, room especially reserved for distinguished visitors. It is upstairs, and there are no bars on the window, bu the ex-sheriff is a heavy man, and it is not thought probable that he will at

tempt any dramatic escape.
Indeed, Mr. Hubbell seemed to be saloying life quite as usual yesterday although in somewhat narrow limits A number of his friends called on him Como Estamos was exchanged along with other courtesies and while the former sheriff looked a little fired, he seemed to be in his usual health and

E. W. Dohson, of counsel for Hub bell, went to Raton Friday night and Yesterday morning mied out the writed habens corpus before Judge Milis who made the writ returnable Theaday

Monday night when argument will be heard by Judge Mills, it is understood counsel is to endeavor to bring up the entire question of the sheriff's fight in the action before Judge Mills and in that case, should the argumen as extended as in Albuquerque, it i likely that Mr. Hubbell will enjoy change of jails for several days. How ever, the air in Raton is fine, and it is probable that the accommodations is Colfax county would quite equal is appointments the quarters not occu-pled in the Bernaillio county bastile.

Jail Keys Turn Up.
All Friday night locksmiths tried to
fit keys to the cells in the county jail
to take the places of those which dis appeared with the jailers employed by Hubbell. The attempt was not suc-censul, but yesterday morning the keys of the jail turned up suddenly and mysteriously in the hand of Free B. Heyn, Armije's deputy. Where th keys came from is a question. It is subject which Mr. Heyn declines t discuss, but there are those who may I was a case of justifiable pocket pick ing, if such a term be allowable. Der charge of the sheriff's office, the not protty much everything else I in Anguer to harry had a set of keys t them in his trousers pocket. ing to the court house corrifor ver

and further it is alleged that the new deputy's hand extracted them from ter wasn't looking. Mr. Newcomer friends, who know his skill in keepin things to himself, refuse to believe that the man lives who could pick his pocket; but the keys have appeared and there you are. Mr. Newcomer true to the habit that has made him famous in Albuquerque, declines to open his mouth. It is probably a fathat during all his official service the county. Mr. Newcomer never op ened his mouth to make a statemen of official nature, unless it were in court or necessary. It is pretty certain that his trousers pockets are as harto reach as his ismost thoughts, and the new deputy did it, he has certain! qualified. Armijo is now in full possession of the sounty juil.

Other county cases, which were expacted to come up yesterday were displaced by other court business, and i is probable they will not come up nor mill after the hearing of the habea corpus matter before Judge Mills.
